TEXAN URGENT CARE ACQUIRED BY FASTMED URGENT CARE

Texan Urgent Care, an urgent care clinic operator with 14 centers throughout Texas, has been acquired by FastMed Urgent Care, the second largest and fastest growing independent urgent care organization in the U.S. FastMed is a portfolio company of ABRY Partners. Provident Healthcare Partners served as exclusive financial advisor to Texan Urgent Care. The terms of the transaction were not disclosed.

“Provident helped find an ideal partner for my business. They were thorough, diligent, and selective in this process. They took time to understand my needs and then without any pressure consummated a deal. I never felt rushed in the entire process. Even our buyers were impressed by Provident's handling of the transaction. I would use Provident for all my future transactions,” stated Dr. Ashish Singhal.

“Dr. Ashish Singhal and his team have built a highly impressive platform in central Texas that offers a significant value proposition to patients, payors, and the broader healthcare system. In partnership with FastMed and ABRY, we fully expect Texan Urgent Care to expand its patient-focused model across the state in a short span of time,” commented AJ Shekar, Associate at Provident Healthcare Partners.

"With its 14 clinics, Texan Urgent Care has established itself as the leading urgent care provider in central Texas by its unwavering commitment to clinical excellence and patient satisfaction. Texan Urgent Care will serve as the platform for FastMed to create the market leader in Texas through the delivery of quality patient care in the cost effective urgent care setting," noted Steve Aguiar, Director at Provident Healthcare Partners.
