**THE DERMATOLOGY CENTER HAS COMPLETED A RECAPITALIZATION
WITH PHAROS CAPITAL GROUP**

BOSTON, MA – The Dermatology Center, P.A. (The Dermatology Center) has completed a recapitalization with Pharos Capital Group, LLC (Pharos). The Dermatology Center is a leading medical and cosmetic dermatology practice with four locations in the metro Washington D.C. area. The Company prides itself on offering the most comprehensive dermatology services in the area. Provident Healthcare Partners served as exclusive financial advisor to The Dermatology Center. The terms of the transaction were not disclosed.

“Dr. Palestine and her team have built a tremendous reputation by providing exceptional patient care,” notes Craig Sager, Senior Associate at Provident Healthcare Partners. Scott Davis, Associate at Provident Healthcare Partners adds, “The Dermatology Center represents a true platform investment in one of the most active healthcare verticals and most desirable geographical locations. In conjunction with Dr. Palestine’s medical expertise and local market knowledge, the opportunities to grow through de novo openings and acquisitions will certainly be vast.”

“We are very excited about the new partnership created by The Dermatology Center and Pharos Capital Group, which will allow The Dermatology Center to continue to expand its operations while remaining a superior provider of comprehensive dermatology services,” commented Justin Hand, Managing Director at Provident Healthcare Partners.

“Provident worked tirelessly and was there for all of my questions, comments and concerns. The Provident team is not only outstanding at their job, but a pleasure to work with. I hold Provident in the highest regard, and would highly recommend them,” stated Dr. Roberta Palestine.

About The Dermatology Center

The Dermatology Center was founded over 30 years ago by Dr. Roberta Palestine, its sole shareholder. The Dermatology Center’s primary medical services include general medical dermatology, cosmetic dermatology, Mohs surgery, plastic surgery, patch testing (the only offering private practice in the area), and Psoriasis treatment. MDs, PAs, and estheticians also offer treatment of acne, rosacea, and hyperpigmentation at the medical spas. The Company also offers a dermatopathologist, a skin-of-color specialist, and a concierge medicine service in the Sibley office. For more information, please visit <https://dermskin.com>.
