

For immediate release:

**PAIN SPECIALISTS OF ORANGE COUNTY HAS BEEN PARTNERED WITH
SURGERY PARTNERS**

Pain Specialists of Orange County (PSOC) has partnered with Surgery Partners (NASDAQ: SGRY). PSOC is a comprehensive interventional pain management practice with six clinical locations throughout Southern California. The Company also operates two Medicare certified and AAAHC accredited ambulatory surgery centers at its Mission Viejo and Irvine locations. Provident Healthcare Partners served as exclusive financial advisor to PSOC. The terms of the transaction were not disclosed.

“After 3 years of looking for the right partner for our business, Provident brought to us the most qualified financial and strategic partner and through its critical analysis, guidance and leadership was able to bring the deal to a close expeditiously,” commented Dr. Gerayli, Founder and Medical Director for PSOC.

“PSOC’s strong understanding of the managed care market and capitation model of healthcare delivery, and the Company’s excellent reputation in the Southern California market, combined with Surgery Partners national outpatient surgical experience, makes Surgery Partners an ideal partner for PSOC,” stated Steven Aguiar, Managing Director at Provident Healthcare Partners.

“PSOC is focusing on expanding its geographical footprint to strengthen its relationship with various IPAs and Medical Groups. Through this partnership with Surgery Partners, PSOC will be able to expand into the LA County market and beyond,” noted Justin Hand, Managing Director at Provident Healthcare Partners.

About Pain Specialists of Orange County

Pain Specialists of Orange County was founded by Dr. Afshin Gerayli in February 2002 in Laguna Hills, California. The Company’s pain management physicians and pain specialists provide effective non-surgical treatments for pain, under the highest standards of patient safety and competent medical care in a clean, safe and comfortable pain treatment environment.
