**PROVIDENT HEALTHCARE PARTNERS ADVISES COMPREHENSIVE SPINE & SPORTS
CENTER IN ITS PARTNERSHIP WITH IPM MEDICAL GROUP**

[Provident Healthcare Partners](#) (“Provident”), a leading healthcare investment banking firm, announced it has advised Comprehensive Spine & Sports Center (“CSSC”) in its partnership with IPM Medical Group (“IPM”). CSSC is a spine and sports medicine practice providing interventional pain management, functional restoration, and related multidisciplinary services and products through eleven locations in California and Nevada.

Provident’s deal team was led by [Scott Davis](#), a Director at the firm. Sheppard Mullin served as legal counsel to Comprehensive Spine & Sports Center. The terms of the transaction were not disclosed.

“It was a pleasure working with the competent team at Provident. They aligned themselves well with our goal, intent and landscape, and worked hard to find us an ideal partner. We were impressed by their impeccable knowledge, skills and communication through the process,” noted Dr. Annu Navani, Founder and CEO of CSSC.

“CSSC’s newly formed strategic partnership positions them as the dominant provider of their core service offerings in the state of California and further supports their regional expansion strategy,” commented Davis.

About Comprehensive Spine & Sports Center

Comprehensive Spine & Sports Center is a multidisciplinary practice that specializes in treating and managing spine conditions, sports injuries, and orthopedic pain through non-invasive, cutting-edge technologies. The company’s board-certified physicians work together to provide comprehensive treatment that is based around providing its patients with the utmost in care in a comfortable and warm environment. Visit <https://cssctr.com/> for more information.

About IPM Medical Group

IPM is a multidisciplinary and comprehensive team of healthcare providers that treat pain. IPM’s team of doctors approaches each case with one goal in mind, helping patients return to their normal daily activities and increase their quality of life. IPM works with its patients first to identify the cause of their pain and create a personalized treatment plan since no two patients are alike, and neither is their pain. IPM’s providers create a comprehensive care plan, then monitor, manage and coordinate access to health services at IPM. IPM is headquartered in Walnut Creek, CA and Portland, OR. For more information, visit www.ipmdoctors.com.
