Provident Healthcare Partners Advises Hawaii Endodontics in its Partnership with MB2 Dental

[Provident Healthcare Partners](#) (“Provident”), a leading healthcare investment banking firm, announced it has advised Hawaii Endodontics (“Hawaii Endo”) in its partnership with MB2 Dental (“MB2”), a portfolio company of Charlesbank Capital Partners and Warburg Pincus. Hawaii Endo is a leading dental practice specializing in advanced endodontic care throughout the island of Oahu, with locations in Aiea, Kailua, and Honolulu.

Provident’s deal team was led by Director [AJ Shekar](#) and supported by Vice President [Chris Schlesinger](#) and Senior Associate [Ankit Amin](#). Ascendant served as legal counsel to Hawaii Endo and Steckler Wayne & Love served as legal counsel to MB2. The terms of the transaction were not disclosed.

“Drs. Kang, Kim, and Shaikh have built a tremendous patient-first culture at Hawaii Endodontics and are leaders in the Hawaiian dental community” noted Shekar. “We are excited to see their continued growth in partnership with MB2.”

“It was a privilege to work with Dr. Kang and the Hawaii Endodontics team throughout this transformative partnership for the dental landscape in Hawaii” said Amin. “We are thrilled to have helped them find the right strategic partner in MB2 and look forward to seeing their continued growth and success in this next chapter.”

“Working with AJ, Chris and Ankit of Provident Healthcare Partners was an exceptional experience. Their team demonstrated deep expertise in dental services, guiding us seamlessly through every phase of our transaction” exclaimed Dr. Kang. “From their thorough understanding of the market to their strategic insights, Provident ensured we made informed decisions every step of the way. Their dedication and attention to detail were unmatched, and they truly went above and beyond to achieve the best possible outcome for us. We couldn’t have asked for a more professional, responsive, and results-driven partner. They are, without a doubt, the go-to team for any healthcare transaction.”
