Provident Healthcare Partners Advises O.R. Staffing Solutions in its Recapitalization with Argosy Healthcare Partners

Boston, MA – August 8, 2025 – [Provident Healthcare Partners](#) (“Provident”), a leading healthcare investment banking firm, is pleased to announce it has advised O.R. Staffing Solutions (“ORSS”), a specialized and differentiated workforce solutions firm. ORSS specializes in providing certified surgical technologists (CSTs), sterile processing technicians, radiology technicians, and PACU registered nurses (RNs), among others, to acute care facility operating rooms and ambulatory surgery centers (ASCs).

This transaction marks a significant milestone in ORSS’ evolution. ORSS was built by former surgical and perioperative clinicians who are subject matter experts in the full spectrum of operating room staffing needs. This partnership reaffirms Argosy’s staffing thesis to partner with specialized providers that serve growing and niche end markets.

Provident’s deal team was led by [Rich Sciretta](#), Director. The terms of the transaction were not disclosed.

“We don’t just fill roles—we understand the flow of a case, the importance of trust among the surgical team, and the stakes of every procedure,” said Farah Rajwany, Founder of ORSS. We have shown our model works in one of the most demanding markets in the country,” said Farah. “Now, with Argosy’s partnership, we are excited about the opportunity to expand our reach and accelerate growth—especially in the ASC segment, where demand for high-quality, cost-effective staffing solutions is increasing.

Provident was instrumental in helping us find the perfect partner to continue our legacy in this niche space, commented Farah Rajwany. Rich had a deep understanding of what kind of partner would align with our values and long-term vision, and he guided us through every step of the process. From navigating the complexities of the transaction to rolling up their sleeves and handling much of the legwork, Provident was a steady and invaluable presence from start to finish.”

“It was a pleasure working with Farah Rajwany throughout this process. Farah couldn’t have found a better partner than Argosy, who I’m confident will expand the Company’s presence in ASC settings, but more importantly, continue the Company’s legacy. Paul, Brent, Mark, and Jerick have extensive staffing experience, and I’m looking forward to following along in the Company’s next phase of growth,” stated Rich Sciretta, Director at Provident.
