# Provident Healthcare Partners Advises Aarista on its Debt Refinancing with Seacoast Capital

Provident Healthcare Partners ("Provident"), a leading healthcare investment banking firm, is pleased to announce it has advised Aarista ("Aarista" or the "Company"), a tech-enabled geriatric primary and specialty care platform serving senior living facilities, on its debt refinancing with Seacoast Capital ("Seacoast").

The refinancing marks an important milestone in Aarista's evolution, providing the Company with significant growth capital to expand its clinical reach. Led by Dr. Jodhvir Sarai, Chief Executive Officer, and Karim Salamatian, Chief Financial Officer, Aarista manages both clinical and financial risk on behalf of its senior care partners.

Provident's deal team was led by Managing Directors, Craig Sager and Scott Davis, and Rich Sciretta, who is a Director at Provident. The terms of the transaction were not disclosed.

"Aarista is a one-of-one platform and, most importantly, has the outcomes data to prove it. This financing positions the team to execute on an already strong growth trajectory, and I look forward to following the Company's continued success," stated Rich Sciretta.

## About Aarista

Founded in 2022, Aarista is a technology-enabled healthcare company transforming post-acute care through an integrated healthcare services business and proprietary, AI-enabled technology platform. Aarista has rapidly scaled its care model across 30+ states, leveraging proprietary technology and longitudinal healthcare data to identify patient risk, enable more proactive care, and improve provider productivity. Aarista's integrated model drives better clinical outcomes, including return-to-hospital rates of approximately half the national average, while enabling Aarista to expand its impact at scale.
